Marlene H. Dortch, Secretary
Federal Communications Commission
445 12th St. SW
Washington, DC 20554

Subject: Comment Deadlines Established Regarding the
LightSquared Technical Working Group Report, IB
Docket No. 11-109

Dear Ms. Dortch,

Please support LightSquared in its efforts to build a 4G-LTE broadband network. As a wholesale provider, LightSquared will increase competition, thus, lower price. LightSquared's plans will also benefit the economy, by investing \$25 billion.

Pete D. Salazar, President/CEO
